

# Movie Scene 1: Emma & Jake at the Airport

Emma: You look way too relaxed for someone flying in two hours.

Jake: That's because I'm fully prepared.

Emma: You said that last time and forgot your passport.

Jake: Technically I forgot where I put my passport.

Emma: That's not better.

Jake: It worked out.

Emma: After your brother drove forty minutes to bring it to you.

Jake: Details.

Emma: Let me see your booking.

Jake: Why?

Emma: Because every time you say everything is under control, something isn't.

Jake: Wow. A lot of trust.

Emma: Years of evidence.

Jake: Fine.

Emma: Wait. Jake.

Jake: What?

Emma: Your return flight is on the 19th.

Jake: Yeah.

Emma: The conference ends on the 20th.

Jake: ...No it doesn't.

Emma: Jake.

Jake: No.

Emma: Jake.

Jake: No.

Emma: You booked the wrong date.

Jake: That's impossible.

Emma: Look at your phone.

Jake: Oh.

Emma: That's your reaction?

Jake: Well, that's not ideal.

Emma: Not ideal? You're supposed to present on the last day.

Jake: Okay. That's slightly more serious.

Emma: Slightly?

Jake: Medium serious.

Emma: Call the airline.

Jake: Right now?

Emma: No, next month.

Jake: Fair point.

Emma: How does this keep happening to you?

Jake: I have many talents.

Emma: Organization isn't one of them.

Jake: That's why I keep you around.

Emma: Good answer.

Jake: You know, one day I'm going to become organized.

Emma: I'll believe it when I see it.

Jake: You're a terrible friend.

Emma: I'm the reason you're getting on the right plane.

Jake: Also fair.
